All documents contained in the Contract Document book are made a part of this Invitation and by this reference incorporated herein as fully and effectively as if set forth in detail. The bidder's attention is directed to the fact that all applicable municipal ordinances, and the rules and regulations of all authority having jurisdiction over construction of the project shall apply to Contract throughout, and they will be deemed to be included in the Contract the same as though herein written out in full.

1.0 PROJECT SUMMARY

The Virgin Islands Waste Management Authority ("VIWMA") is soliciting sealed bids from qualified and licensed Vendors ("Respondents") to supply garbage trucks for the St. Thomas/St. John District, United States Virgin Islands. Interested Vendors that respond to this IFB ("Respondents") shall have the qualifications, experience and ability to supply equipment and materials related to the solid waste industry.

2.0 BACKGROUND

A rear loader garbage truck is a specialized waste collection vehicle engineered to collect, compact (where applicable), and transport solid waste from residential, commercial, and public service areas to designated waste management facilities. Within VIWMA's operations, garbage trucks are critical assets that enable routine and hygienic waste removal, reduce illegal dumping, minimize environmental pollution, and limit public health risks associated with unmanaged waste. These vehicles facilitate the delivery of waste to VIWMA operated landfills.

3.0 SCOPE OF WORK

The procurement of two (2) garbage trucks for the island of St. Thomas is essential to support, strengthen, and enhance solid waste management operations. This acquisition is necessary to ensure the timely, efficient, and safe collection and transportation of municipal solid waste, thereby safeguarding public health, maintaining environmental compliance, and ensuring operational continuity across the Territory. The additional equipment will mitigate service disruptions, improve collection reliability, and enhance system resilience in response to operational demands.

This procurement directly supports the Virgin Islands Waste Management Authority's (VIWMA) strategic objectives to:

- Strengthen essential public services
- Enhance environmental sustainability initiatives
- Improve community satisfaction and public trust
- Ensure regulatory compliance and long-term operational resilience

The scope of this procurement includes, but is not limited to, the following components:

- **Purchase of Equipment:** Two (2) new garbage trucks suitable for municipal solid waste collection operations.
- **Shipping and Delivery:** Transportation and delivery of the equipment to the Bovoni Landfill, St. Thomas, U.S. Virgin Islands (including clearance at VI Port & Transport to Landfill).
- **Installation and Training:** Equipment commissioning and operator training to be conducted at Bovoni Landfill, St. Thomas.
- **Maintenance and Support:** Inclusion of a proposed service agreement and preventative maintenance plan to ensure equipment reliability, longevity, and compliance with operational standards.

Technical specifications for each piece of equipment are provided in Enclosure Document G.

The contract scope shall include purchasing of equipment, and all the shipping logistics required to ship the equipment to the US Virgin Islands. The vendor or contractor shall provide:

- Cost for items noted in the attached Bid Schedule
- The equipment specifications in the attached specification sheet until the title of “Vendor”
- Pictures, brochures or drawings of the equipment

The equipment list is as follows (see attached specifications):

Description	Size/ Qty	Location
Garbage Truck	2	Bovoni Landfill, St. Thomas

Notes:

1. The contractor or vendor shall provide the cost for each item noted on the bid schedule.
2. The contractor or vendor shall coordinate the shipping logistics (including VI Port & Customs Clearance) required to have the equipment shipped to the US Virgin Islands, including to the Bovoni Landfill on St. Thomas, USVI.
3. The contractor or vendor shall provide:
 - a) A manufacturing schedule of the equipment
 - b) A delivery schedule for the equipment to the Bovoni Landfill on St. Thomas, USVI
 - c) Specifications of the equipment
 - d) Drawings of the equipment (if applicable)

- e) Operating procedures of the equipment
 - f) Recommended spare parts list of the equipment
 - g) Operator training for the equipment
 - h) All applicable warranties for the equipment
4. The contractor or vendor shall provide adequate packing to minimize any damages to the equipment.
5. The contractor or vendor shall ensure proper delivery to the Bovoni Landfill on St. Thomas, USVI including Customs & VI Port Clearance.
6. The contractor or vendor shall ensure proper operation of equipment (this includes all the necessary tools and hardware).

4.0 QUALIFICATIONS

The selected Respondent must be able to adequately demonstrate their experience in their bid submittal.

A. Required Minimum Qualifications of Respondent

The following subsections are required minimum qualifications.

1. Respondents shall attach its license to do business or copy of its application for a license. Respondents should give a brief description of their company including brief history, corporate or organization structure, number of years in business. If the Respondent is partnering or subcontracting with any other entity, provide the information described above for each such entity.
2. The Respondent should also be registered with a valid System for Award Management (SAM) number.
3. Respondents that are corporations, partnerships, or any other legal entity, domestic or foreign, shall be properly registered to do business in the area in which they are incorporated at the time of the submission of their responses to this IFB. Such respondents shall attach a Business License (relevant to the SOW) and a Certificate of Good Standing from their respective jurisdictions to their bid submissions.
4. Respondent can comply with the required or proposed delivery or performance schedule, taking into consideration all existing commercial and governmental business commitments.
5. Respondent has a satisfactory performance record.
6. Respondent has a satisfactory record of integrity and business ethics.
7. Respondent has the necessary organization, experience, operational controls, and other necessary technical skills, or the ability to obtain them.
8. Respondent has established prior experience in successfully performing the scope of services requested.

9. Respondent and its employees hold and maintain any and all territorial, federal, state, and local licenses or certifications as required to perform the services requested.
10. Respondent is otherwise qualified and eligible to receive an award under applicable laws and regulations.
11. Respondent can comply with the required or proposed delivery or performance schedule, taking into consideration all existing commercial and governmental business commitments.
12. Respondent has adequate staffing to fulfill the required services throughout the entire contract term.
13. Respondent must not be debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in any federal or local programs in the Territory or any Federal department or agency.

5.0 PRICE AND PAYMENT

Respondents must submit **Enclosure Document (F)** Bid Sheet for costs associated with all required specifications outlined within the IFB. Respondents should also submit a payment schedule in conjunction with Enclosure Document F & G outlining proposed progress payments based on the manufacturing and equipment delivery schedules.

The contract or purchase order will be funded, in whole or in part, by federal funds. Therefore, funding and payment of the contract will be based on requirements and availability of the federal funding sources utilized by VIWMA. The prime Contractor is responsible to submit all required documentation for payment to VIWMA. The contract requires compliance with federal terms and conditions for federal grants such as 2 CFR200 (**Attachment A**).

Please note, the information requested in the cost sheet may not necessarily reflect what the structure of the final contract or purchase order will be.

6.0 NOTICE OF FEDERAL GUIDELINES

Because the contract is being funded with federal funds, the contract shall be governed by certain federal terms and conditions for federal grants, including 2 CFR 200 and other applicable OMB circulars. Respondent shall provide a description of experience with such grant requirements and affirmatively represent and certify that the respondent shall adhere to any requirements of applicable federal requirements. In addition, this IFB is intended to be conducted in accordance to 2 CFR 200 and the resulting contract will contain the required contract provisions. The successful contractor will be required to abide by the federal rules and regulations which govern this construction project.

7.0 CONFLICT OF INTEREST

A respondent submitting a bid hereby certifies that no officer, agent or employee of VIWMA has a pecuniary interest in this bid or has participated in contract negotiations on behalf of the WMA; that the bid is made in good faith without fraud, collusion, or connection of any kind with any other Bidder for the same request for proposals; the Bidder is competing solely in its own behalf without connection with, or obligation to, any undisclosed person or firm.

8.0 LIQUIDATED DAMAGES

It shall be agreed by and between the parties that liquidated damages will be assessed in the amount of Five Hundred Dollars (\$500.00) per day as a result of delays, or failure to complete the service within the specified period of time. Liquidated damages will not be assessed during any delay in performance of the services caused by acts of God, the public enemy, fire, floods, epidemics, quarantine restrictions, supplier's or vendors strikes, freight embargoes, or other cause beyond the Contractor's reasonable control. The Contractor shall make every reasonable effort to mitigate the effects of said causes. The selected Contractor shall not be assessed with liquidated damages for delay in performance of the services caused by failure of the Authority to provide or perform those items of work required of the Authority under the contract. The Contractor shall have no claim for any additional compensation for any such delay.

9.0 REQUIRED DOCUMENTS

Rear Loader Garbage Trucks Equipment Acquisition

From the issue date of this IFB until a determination is made regarding the selection of a Respondent, refer all contacts concerning this RFP to Michael Vante, Director, Procurement & Property Division at mvante@viwma.org. Any violation of this condition is cause for the VIWMA to reject a Respondent's package. The VIWMA will NOT be responsible for any oral information given by any employees.

Failure to ask questions, request changes or submit objections shall constitute the acceptance of all terms, conditions and requirements in this IFB. The issuance of a written addendum by the VIWMA is the only official method by which interpretation, clarification or additional information can be given. If the VIWMA amends this IFB, they will email the addenda to all potential Respondents. The WMA will **not** be held responsible if any potential respondent does not check the website on a regular basis for all addenda. It is the responsibility of the potential respondents to update all contact information, contact the Procurement/Contract Officer to ensure that they receive all addenda prior to the submittal of the bid package, and/or check VIWMA's website for updates. The bid package will be considered non-responsive if all modifications are not incorporated.

14.0 FORMAT OF BID PACKAGE

To be considered for award, the bid package shall meet the following requirements. Failure to meet the requirements as outlined will disqualify the respondent.

A. IFB Cover Letter - Complete Enclosure Document A.

B. Commitment Statement Letter – The Commitment Statement letter should be on the company's letterhead with contact information and must be signed by an officer of the organization that is authorized to bind the company contractually to all of the commitments made in its submittal. The letter shall also include a statement of understanding of the work to be done and to certify that the company shall adhere to the all the terms and conditions governing the contract. It shall state that the firm will be solely responsible for all aspects of the engagement including any portion that may be performed by its subcontractors, if any. It should make a positive commitment to perform the work required as specified to industry standards of workmanship and in a professional manner. It should also state that the bid package will remain in effect for a period of 90 days from the submission deadline and thereafter, until the firm withdraws it, or a contract is approved and executed, or the procurement is canceled, whichever occurs first. Respondent shall also confirm that the firm has not engaged in any unethical practices within the past five (5) years.

C. Non-Collusive Affidavit – Complete **Enclosure Document B**. The form must be notarized.

D. Debarment Certification Form – Complete **Enclosure Document C**. The form must be notarized.

E. Contract Document Checklist Form – Complete **Enclosure Document D** and submit your current **Business License**. For this section, Respondent must provide evidence that the company is licensed to

provide the requested equipment. The Business License must be relevant to the Scope of Work for this solicitation.

F. Contractor's Qualifications Statement Form – Complete **Enclosure Document E**. For the Reference Section of the form, you must provide three (3) reference letters for the most recent, relevant work comparable to the scope requested in this IFB whom would be willing to discuss your company's competency and performance. If you currently have more than three (3) references, a client listing with contact information should be provided as well.

G. Bid Sheet – Complete **Enclosure Document F**. All bid pricing must be valid for 90 days from the submission deadline and thereafter until the company withdraws it, a purchase order is approved and executed, or the procurement is canceled, whichever occurs first.

Each respondent must adhere to the requirements of this section relative to the bid package content and format in order to simplify the review process and facilitate the maximum degree of comparison. Respondents should ensure that their bid package closely follows the sequence and organizational outline described in this section.

H. Other Required Documents – Respondents must submit all required documentation outlined within the Scope of Work Notes, Equipment Specifications and Procurement Requirements.

16.0 DELIVERY OF BID PACKAGES

All responses to this IFB are to be submitted, via electronic .pdf , no later than **12:00 p.m. AST on Friday, August 14th, 2026**. This acquisition and installation of all equipment is expected to be completed in about seven (7) months or less. Submittals must be made via email and contain a single pdf document submission including technical specifications and a detailed pricing submittal (cost proposal). All bid pricing must be valid for 90 days. VIWMA will **not** consider e-mail submission of a bid received after the bid due date.

Bid Packages must be submitted to:

SEALED BIDS – DO NOT OPEN
Virgin Islands Waste Management Authority
7410 Estate Bovoni, Bay 2
St. Thomas, VI 00802

Attention:

Rear Loader Garbage Trucks Equipment Acquisition (rebid)

The email must be clearly marked. Failure to clearly mark each email submission with this information may cause the VIWMA to inadvertently open the bid package before official closing date and time. The WMA will log all received bid packages with the date and time of receipt. Bids received after the official deadline will be considered **LATE** and will **not** be opened or considered.

17.0 SELECTION PROCESS

The WMA's Evaluation Committee Panel is responsible for evaluating all respondents' submittals. The Evaluation Committee Panel will consider the following criteria:

- Contractor is duly organized, validly existing, qualified and licensed to conduct business.
- Experience, including references, in providing the types of services detailed herein.
- Understanding of the services requested (including completeness and clarity of submissions), and qualitative nature of the equipment requested
- Ability to provide services in a timely manner
- **Lowest reasonable price and responsive bid package.**

18.0 RIGHT TO REJECT BID PACKAGES

The WMA reserves the right to reject, without prejudice, any and all bids submitted in response to this solicitation. Further, bids submitted in response to this solicitation become the property of the WMA and the WMA may use any idea or concept in a submitted bid, regardless of whether that bid is selected for award.
